Prepare for your GED High School Diploma Online!

Free online classes for all adults!

Registration is now open!

Classes begin on February 2, 2026

We now have both morning and evening classes

Visit www.hep.nyc/ged or scan the code below to sign up
and for all the information you need to get started.

Benefits of online learning:

- Attend class and complete assignments anywhere you have access to the internet
- Cost-effective for parents who have small children at home
- Working online in small groups allows you to ask questions while getting the one-on-one support you need
